A conservatory is a place where house and garden meets. It is a place for relaxation and to entertain friends, but most of all it is space. Therefore it is important for everyone to find the perfect conservatory and the experts at K& A Cox and Glazedale will help to make that dream come true.

What do you want your conservatory to be? A lounge or dining room, a place to sit and relax, a place to enjoy, a place to entertain or a place of peace. A conservatory is a place that is versatile and as adaptable as you choose. Our conservatories are available in a wide range of styles, sizes and finishes with options that will meet most of your requirements.

There are so many options to choose from, especially when you get down to the fine detail, that no two conservatories need be exactly alike. However, there are a number of basic types and most conservatories fit into these broad categories. Modern or timeless, elegant or innovative, large or small, conservatories come in all shapes, sizes, styles and locations. Whatever you choose you will be guided every step of the way by our dedicated advisors.
