Last Updated Wednesday, 25 April 2007

We at K&A Cox Ltd. know how to dress a window perfectly. Our experienced team can provide you with the complete solution for window furnishing and transform your home using a choice of high quality fabrics and materials. If you want an individual look then choose from a wide range of fabrics and use our made to measure curtain service. We only use the very best fabrics from leading companies for our made to measure curtain service. All bespoke curtains are custom made in our own workroom. Our highly experienced staff has an excellent knowledge of the fabrics and products, so can help you choose the most suitable fabric, colour and style for your home.

We offer you the latest collections from all major fabric houses, including Harlequin , Prestigious Textiles , Villa Nova , Sanderson , Porter & Stone and many more. The styles and designs vary from traditional to contemporary.

If time is of the essence we offer a made to measure service in a wide choice of styles in 10 working days.

You can also choose from a fabulous selection of readymade curtains, blinds, voiles, nets, curtain poles and accessories.

A free no obligation home visit can be arranged in the Derbyshire & Nottinghamshire area.
